INNOBIZ1 CENTER OF COMPETENCE (iNNOC-Center)

MAIN ADVANTAGE

iNNOBIZ1 Centers of Competence (iNNOC-Centers) are elements of **IGNITE**. They form the Core of the iNNO-Ecosystem. The Core secures the **interoperability of the Members** with other Elements of **iNNO-Ecosystem** and provides the knowledge required for the Members to participate in an **Innovative Project or Collateral Deal**.

WHAT YOU GET

iNNOC-Centers are of several kinds and the Member can choose which to use. Examples are: **iNNOFinTech, iNNOHealthCare, iNNOTraining, iNNOTechTransfer, iNNORedesign, iNNOTrade etc.** By entering the **iNNO-Ecosystem** the Member is trained by a guide from **IGNITE** how to choose the **iNNOC-Centers** he needs in order to participate in Innovative Projects.

iNNOC-Centers can be shared between several Members or can be part of the Member's company administrative structure. **iNNOC-Center** has the access to the continuously updated knowledge for specific matter which is **essential** for the Member. **iNNOC-Centers** connects the Member with **Project Management Division (PMD)** of an *Innovative Project*, and/or *Technology Transfer Project* and/or a *Collateral Deal*, where Member is **accepted** to participate. If **PMD** is established in **iNNOHubs-in-Cubes** Facility it forms **iNNO-Point-of-Care (iNNOPoC)**.

The **iNNOCompetence PostCovid Center (iNNOCPCCenter)** is used for **Risks Mitigation and Investment Social Impact estimation**. The access to it is obligatory for all Members.

KEY TAKEAWAY

The Member's choice of **iNNOC-Center** is essential for utilizing **IGNITE** effectively and for participating through **iNNOHiC** in any Innovative Projects or Collateral Deals of **iNNO-Ecosystem**.

Come to IGNITE

b2iNNObiz Top Table Matchmaking Meeting and Contracting

MAIN ADVANTAGE

One-Desk Negotiations (**ODN**) at any of the Gateways of the **iNNO-Ecosystem**: to apply for **iNNO-Forum** participation and to receive a Participation Package; to become a Member of the **iNNO-Ecosystem** and receive the Roadmap; to participate in the Swiss **iNNOChamber of Commerce (iNNO-Chamber)**; to get membership to the **iNNObizSTARS Investor Cluster (iNNO-Cluster)**. **ODN** is performed by the Permanent Secretariat of the **iNNO-Forum**.

WHAT YOU GET

(1) iNNO-Forum Participation and Member of iNNO-Ecosystem: The **ODN** is conducted by bridges4iNNObiz KLG during the preparation for participation in the **iNNO-Forum**. The membership to the **iNNO-Ecosystem** is formalised legally. bridges4iNNObiz KLG is the operator of the Swiss Gateway of **iNNOBIZ1 Ecosystem**.

(2) iNNO-Forum Package & Roadmap with iNNO-Chamber membership for the iNNO-Ecosystem, which automatically grants them participation rights in the **iNNO-Chamber** and pass the Compliance Process. The Compliance is conducted by bridges4iNNObiz KLG.

(3) Membership to the iNNO-Cluster. The **iNNO-Chamber** membership automatically grants access to the **iNNO-Cluster**, managed by **iNNObizSTARS GmbH**, which is the operator of the Liechtenstein Gateway of **iNNO-Ecosystem**. **iNNO-Cluster** is a specialised Platform (instrument of **IGNITE**) which provides management of Innovative Projects or collateral deals.

KEY TAKEAWAY

ODN is “fast-track” procedure, which leads to a direct and effective Compliance Procedure to get eligible for **iNNO-Chamber** and **iNNO-Cluster** membership and be involved as an Investor or an Innovator in the **iNNO-Ecosystem**.

iNNOBIZI ECOSYSTEM

(iNNO-Ecosystem)

MAIN ADVANTAGE

The Membership in the **iNNO-Ecosystem** generates immediate business advantage for investors and innovators introducing them in three inter-linked Innovative Ecosystems: Innovative Capacity Evaluation and Training (Bulgarian, Swiss); Legal and Management Compliance (Swiss) and Financial Infrastructure with Social Impact Management (Liechtenstein).

WHAT YOU GET

Entering the **iNNO-Ecosystem** the Member gets instruments to understand the **iNNOBIZI Risk Mitigation Approach (iNNO-RiMA)** of using Social Impact of innovations.

(1) Applying the **IGNITE Platform** and **iNNO-RiMA**, **iNNO-Ecosystem** reduces significantly the time for taking decision by the Members to invest in proposed by **iNNO-Ecosystem** innovations.

(2) The **Learning-by-Doing** approach trains the Member how to use the **Key Technologies** as Instruments of **iNNO-Ecosystem** to generate added value and join innovative and motivating projects:

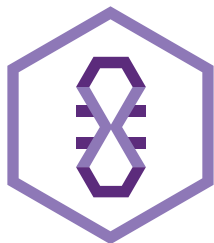

- **Gateway** - technology to enter as a Member in an **iNNO-Ecosystem** via **iNNO-Hubs-in-Cubes** Facilities.
- **IGNITE** - Innovative Global and Neighbourhood Impact Teams Engine (branded as **IGNITE**) technology.
- **Live Social Cell** - technology and tool to develop Innovative Projects inside an **iNNO-Ecosystem**.

KEY TAKEAWAY

The **iNNO-Ecosystem** motivates to invest and facilitates generation and development of innovative projects and is using social impact as investment risks mitigation factor in an unique way.
